### The first month’s premium is paid on your behalf!

You take no risk when you enroll. You don’t even have to pay anything for the first month. TD Canada Trust will pay the first month’s premium on your behalf, giving you immediate protection. During this time you will be under no obligation and will be covered for all the benefits at no cost to you.

### Premium Information

The plan is designed as a group policy to make it more affordable for our customers. Premiums are fixed for the duration of coverage unless they change for all insured persons under the policy. The insurer has the right to change the premium rates with 30 days advance notice. In this instance, we will provide written notice to you.

If tax rates change, your premiums will change accordingly without notice to you.

### How long does coverage last?

Your coverage will begin at 12:01 a.m. on the date your application is processed; refer to the Effective Date of your Certificate of Insurance, which you will receive in the mail.

**All coverages on the Primary Insured and Spouse will reduce by 50% when either turns 70 and all coverages end on any Insured Person when the Primary Insured turns 75.**

### What if I enroll, but later change my mind?

You have a 30 day review period from your Effective Date of coverage as outlined in the Coverage Summary of the Certificate of Insurance to review the benefits provided and decide whether or not the coverage meets your needs. If you decide to cancel your coverage during this period, please call TD Life at 1-888-788-0839 and your Certificate of Insurance will be cancelled as of the Effective Date.

If you decide to cancel your coverage any time after, please call TD Life at 1-888-788-0839 and—provided no claims have been made—any unearned premiums you may have paid will be refunded.

NOTE: Only the Primary Insured can request to cancel coverage for an Insured Person.

### Who is eligible to enroll?

If you are a TD Bank Group customer, and you are a Canadian resident between the ages of 18 and 65, you are eligible to enroll. If you have a Spouse between the ages of 18 and 65, or any Dependent Child(ren), they are also eligible if they are Canadian residents. There is no medical examination and no health questionnaire. Your acceptance is guaranteed and as long as premiums are paid, your coverage will remain in force until age 75.

### How are benefits paid?

All benefits are paid in cash and in addition to other insurance you may have.

The person(s) you name as your beneficiary(ies) will receive the full amount of the Accidental Death benefit. If you do not name a beneficiary, the benefit will be paid to your estate. If you enroll your Spouse for coverage, you are your Spouse’s beneficiary. The Hospital Indemnity Benefit is paid to you.

### When will we pay benefits?

#### Accidental Death Benefit

Accident, independently of any other causes, is under the care of a physician and the period of initial Hospitalization:

- is necessary for the treatment of injury; and
- begins while the insurance is in force on that Insured Person; and
- occurs as a result of and within 365 days of an Accident which must also occur while the Certificate of Insurance is in force.

### When will benefits not be paid?

### What are the coverage maximums and reductions?

Only one accidental death benefit per Insured Person is payable under the TD Accidental Death Insurance Plan Plus coverage. Once an accidental death claim is paid for:

- the Primary Insured, all coverages will terminate; or
- the Primary Insured's Spouse or Dependent Child(ren), coverage will terminate only for the Primary Insured's Spouse or Dependent Child(ren), but coverage for the Primary Insured will remain active.
- Only one Common Carrier benefit is payable if the Primary Insured or Spouse dies as a result of injuries received in the same accident, to a maximum of \$250,000. Common Carrier excludes land and water transportation used outside of Canada.
- The hospital indemnity benefit may be paid from the first day of each period of Hospitalization for a maximum of 365 days (\$18,250 per covered Primary Insured and Spouse, \$9,125 per covered Dependent Child.). The maximum amount paid under the hospital indemnity benefit for an Insured Person is calculated by multiplying the daily hospital indemnity benefit amount for that Insured Person by 365 days.
