This includes payments towards:

- the outstanding balance of your insured authorized business credit products; and
- any interest owing;

How Does The Coverage Work

It works like an umbrella to cover your Total Authorized Business Credit in the event an Insured Person becomes critically ill or Totally Disabled.

- Critical Illness coverage covers you for the following: Cancer (life threatening), Acute Heart Attack, and Stroke
- Disability coverage covers you for Total Disability due to an Accident or sickness
- Note: Critical Illness coverage is only offered with Disability coverage. Coverages are not offered separately
- Full or partial coverage is available depending on your business need.

Note: See the Certificate of Insurance for the definition of covered events and coverage details.

When The Insurance Coverage Starts

Once your credit is funded or available to use, your coverage will start the later of the following dates:

- If coverage is less than \$500,000 and you answered “NO” to all questions in the application, coverage takes effect on the date you applied for coverage; or
- If coverage is more than \$500,000, or you answered “YES” to any of the questions in the application a separate Health Questionnaire is required. In this case, your coverage will take effect when we write to let you know that you’re approved

When The Insurance Coverage Ends

Business Credit Life Insurance may end before your business credit is fully paid.

For example, it will end when:

- your business credit is transferred to a different lender;
- your insurance premiums are in arrears for a total of 3 months while insured under the Certificate of Insurance ;
- the Insured Person is no longer associated with the business;
- Disability coverage ends when the Insured Person turns 65 years old, and Critical Illness coverage ends when the Insured Person turns 70 years old;
- When a Critical Illness coverage benefit is paid;
- We receive a request from you to cancel your coverage.

Note: This is not an exhaustive list. See the Certificate of Insurance for a complete list of When Insurance Coverage Ends.

- an Insured Person fails to accurately state their smoking status. In this case the coverage will end.
- an Insured Person is diagnosed with Cancer (life threatening) within the first 90 days of the coverage start date. Should this happen, the coverage will end and premiums paid will be refunded.
- an Insured Person’s Total Disability occurs due to a pre-existing condition.
