Who Is Eligible For Insurance

Line of Credit Critical Illness and Life Insurance are optional creditor's group insurance coverages for TD Canada Trust Line of Credit borrowers.

You can apply for this insurance if you are:

- A Canadian resident; and either
- 18-69 years old for Life Insurance; or
- 18-55 years old for Critical Illness Insurance

You may be eligible for coverage under the Creditor Defined Plan (insurance coverage for a period of five years) if you do not meet our standard approval criteria for the full term of your line of credit or we are unable to reach you to complete the Health Questionnaire and complete our underwriting process. We will notify you in writing if this is the case.

If the total of all your TD Line(s) of Credit exceeds \$300,000, we may offer you partial coverage. In this instance, you will be notified in writing of our decision.

Note: Critical Illness Insurance is only available if you have line of credit Life Insurance.

What Are The Benefits

The insurer ('We' meaning TD Life or Canada Life) can pay TD Canada Trust up to \$300,000 for Life or Critical Illness Insurance, to be applied towards your line of credit.

This includes payments associated with this line of credit towards:

- ✓ your unpaid line of credit balance less any arrears
- ✓ any interest owing
- ✓ any discharge or penalty fees

Note: TD Life provides accidental dismemberment coverage and Canada Life is the provider for all other coverages.

 See pages 11-12 and 17-18 of the Certificate of Insurance for details.

How Does The Coverage Work

Life Insurance covers you for the following covered events: death and accidental dismemberment.

Critical Illness Insurance covers you for the following covered events: Cancer (life-threatening), Acute Heart Attack, and Stroke.

 See pages 10-25 of the Certificate of Insurance for definition of covered events and for coverage details.

When The Insurance Coverage Starts

- If you apply for Life Insurance and your line of credit is \$50,000 or less, Life coverage starts on the date you applied for coverage.
- If you answered "NO" to health questions 1 to 3, Life coverage starts on the date you applied for coverage.

Credit Protection – What You Need to Know

- If you answered “YES” to any of the health questions you will need to complete a separate Health Questionnaire or give consent to be considered for the Creditor Defined Plan. In these instances, your coverage starts only when you are notified in writing that you are approved.

When The Insurance Coverage Ends

Line of credit Critical Illness and Life Insurance may end before your line of credit is fully paid. **For example**, it will end when:

- your line of credit is transferred to a different lender;
- your insurance premium is in arrears 3 months; or
- your 5-year period of coverage has come to an end, or you turn 70 while enrolled in the Creditor Defined Plan; and
- an insurance benefit is paid on your Line of Credit.

 See page 15 and 29 of the Certificate of Insurance for details of when coverage ends.

How To Submit A Claim

For information on submitting a claim, call TD Life at **1-888-983-7070** or see page 8 of the Certificate of Insurance for details.

How To Cancel Coverage

You can cancel your coverage **at any time**. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered to never have been in force. If a claim is made within the first 30 days, a refund is not provided.

To cancel, contact us at **1-888-983-7070** or alternatively contact your TD Canada Trust branch.

When An Insurance Benefit Will Not Be Paid

The coverages have certain limitations and exclusions. Here are some examples of when an insurance benefit will not be paid:

- if you give any false or incomplete responses to any of the health questions;
- if you are diagnosed with cancer (life-threatening) in the first 90 days after coverage starts. Should this happen, Critical Illness Insurance will terminate and premiums paid will be refunded;
- various exclusions may apply in the first 12 months after coverage starts. See pages 12 and 19 of the Certificate of Insurance for details.

 See pages 12-14 and 19-20 of the Certificate of Insurance for details of coverage limitations and exclusions.

How To Calculate The Monthly Premium

Your premium, which is due on a monthly basis, is calculated based on your age at the time of billing, the average balance and the number of days in the billing period.

Follow the steps below and use the spaces to help calculate your premium:

			Sample calculation [*]
Step 1:	_____ (A)	Premium Rate	\$0.22
Step 2:	_____ (B)	Average balance	\$20,000
Step 3:	_____ (C)	$A \times B \div 1000 = C$	$\$0.22 \times \$20,000 \div 1000 = \$4.40$
Step 4:	_____ (D)	$C \times 12 \div 365 = D$, D is the daily premium	$\$4.40 \times 12 \div 365 = 0.1447$
Step 5:	_____ (E)	$D \times \text{number of days in the billing period} = E$, E is the monthly premium	$0.1447 \times 31 = \$4.48$
Step 6:	_____ (F)	$E + (E \times \text{your provincial tax rate}) = F$, F is the monthly premium after tax	$\$4.48 + (\$4.48 \times 8\%) = \$4.84$

^{*}Sample calculation for a 34 year old Life insured with 31 days in billing period, living in Ontario .

^{*}Follow step 6 only if provincial sales tax applies

If more than one person becomes insured for Critical Illness and Life Insurance on the same line of credit, a 15% discount will be applied to each of your individual premiums. In addition, a 20% discount will apply to the premium for the average balance portion that exceeds \$75,000. We call this a **tier discount**.

 See page 27 of the Certificate of Insurance for details on discount calculations.

Coverages

Life Insurance

Life Insurance includes life and accidental dismemberment.

When Your Life Insurance Starts

Once your *Line of Credit* has been approved, your coverage starts:

- on the date you applied for coverage if your insured *Lines of Credit* are less than or equal to \$50,000;
- on the date you applied for coverage if you answered “NO” to health questions 1 to 3 in your *Application* (Section: Information about your health); or
- on the date we write to let you know that we have approved your *Life Insurance* if you answered “YES” to any of the health questions in your *Application* (Section: Information about your health).

When You Must Complete a Health Questionnaire

- You will need to complete a *Health Questionnaire* to be considered for the full term on your *Line of Credit* if you answered “YES” to any of the health questions in your *Application* (Section: Information about your health).
- We will review your *Application* and let you know by mail if you are approved. Coverage starts on the date we write to let you know we have approved your *Life Insurance* and/or *Critical Illness Insurance* for the full term of your *Line of Credit* or under *Creditor Defined Plan*.

Note: We reserve the right to change our underwriting requirements and the questions in the *Application* at any time.

Maximum Life Insurance Amounts You Can Apply For

You can apply to insure the credit limit or plan limit of your *Line of Credit* to a maximum of \$300,000 for all of your combined *Lines of Credit*. This limit applies to the total life, accidental dismemberment and *Critical Illness Insurance* benefits payable to 1 person.

Note: The amount of coverage will be subject to the maximum *Life Insurance* amounts and any other applicable restrictions as outlined in your insurance approval letter or Certificate of Insurance.

How A *Life Insurance* Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the following dates:

- for life coverage, the date of death;
- for accidental dismemberment coverage, the date of the *Accident*, which caused a covered loss.

When a benefit is paid, subject to the maximum *Life Insurance* amount of \$300,000, we pay the following amount associated with *your Line of Credit*:

- the outstanding balance up to *your Life Insurance Amount*, on the date of death or date the *Accident* caused a covered loss. We will not pay more than this outstanding balance*;
- any discharge or penalty fees;
- any interest owing;
- minus any *Line of Credit* payments that are in arrears prior to the date we determine benefits.

*Payment is always subject to the section “When A *Life Insurance* Benefit May Be Limited”.

When A *Life Insurance* Benefit May Be Limited

The *Life Insurance* benefit may be limited if the death of any insured borrower results from an illness or condition for which *you* had symptoms, received medical consultation, treatment, care or services, including prescribed medication within the 12 months prior to the date of death.

In this case, the insurance benefit will be limited to the greater of:

- the outstanding balance on the day before the date of diagnosis by a qualified physician of the illness or condition that caused *your* death, subject to the *Life Insurance Amount**; or
- 110% of the average statement balances for this insured *Line of Credit* for the past 12 months.

For Example:

Statement Balance	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
	1,000	1,100	1,200	1,300	1,400	1,500	1,600	1,700	1,800	5,000	5,500	6,000
Average statement balance	$(1000 + 1100 + 1200 + 1300 + 1400 + 1500 + 1600 + 1700 + 1800 + 5000 + 5500 + 6000) \div 12 = \2425											
Insurance benefit paid	$\$2425 \times 110\% = \2667.50											

*For more information, please refer to section "Maximum Amounts You Can Apply For".

When We Pay a Life Benefit

In the event of death, we will pay a benefit to *TD Bank* up to *your Life Insurance Amount*, and subject to any limitations set out in this Certificate of Insurance.

When We Will Not Pay A Life Benefit

- *your death* occurs before *your insurance coverage* starts;
- *your death* is a result of, associated with, or happens while you are committing a criminal offence;

- *your insured Lines of Credit* are less than or equal to \$50,000 and *your death* occurs within 12 months from the date *your coverage* starts, and is the result of an illness or condition for which you received medical consultation, treatment, care or services, including prescribed medication, during the 12 months prior to the date *your coverage* starts. In this instance, all insurance premiums paid will be refunded.

For additional exclusions, please refer to section "When We May Not Pay Any Benefit and Terminate All Your Coverage".

When We Will Pay An Accidental Dismemberment Benefit

In the event of accidental dismemberment, we will pay a benefit to *TD Bank* up to *your Life Insurance Amount* if you suffer a covered loss as described below, which:

- *When we pay a Critical Illness Insurance benefit, your Life Insurance Amount is reduced by the amount of the payment.*

- your 5-year period of coverage has come to an end if you are covered under the Creditor Defined Plan;

- you complete an Application for Life Insurance but before the Line of Credit is activated, TD Canada Trust approves a change to the credit limit or plan limit that would increase the combined limits of all your insured Lines of Credit to over \$50,000. In this instance, you will need to reapply*; or
- you die.

*This will end insurance coverage for other insured borrowers on the Line of Credit.

When your insurance coverage ends for any reason, we will not notify the other person(s) liable to TD Canada Trust for the Line of Credit.

We will refund any premiums we may owe you after your coverage ends. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

The *Life Insurance Amount* may change. For more information, please refer to the section “*Insurance Amounts After a Benefit is Paid*”.

Critical Illness Insurance

Critical Illness Insurance covers *Cancer (life-threatening)*, *Acute Heart Attack* and *Stroke*.

When Your *Critical Illness Insurance* Starts

Once your *Line of Credit* has been approved, your *Critical Illness Insurance* starts:

- on the date you applied for coverage if you answered “NO” to all health questions in *your Application* (Section: Information about your health); or
- on the date we write to let you know that we have approved your *Critical Illness Insurance* if you answered “YES” to any of the health questions in *your Application* (Section: Information about your health).

When You Must Complete a Health Questionnaire

- You will need to complete a *Health Questionnaire* in order to be considered for the full term on *your Line of Credit* if you answered “YES” to any of the health questions in *your Application* (Section: Information about your health).
- We will review your *Application* and let you know by mail if you are approved for the coverage(s) you applied for.

Note: We reserve the right to change our underwriting requirements and the questions in the *Application* at any time.

If you apply for *Critical Illness Insurance* in addition to *Life Insurance* and we require additional information from you, your coverages may start on different dates, but your *Critical Illness Insurance* can never begin before your *Life Insurance*.

Maximum Critical Illness Insurance Amounts You Can Apply For

You can apply to insure the credit limit or plan limit of your *Line of Credit* to a maximum of \$300,000 for all of your combined *TD Canada Trust Lines of Credit*. This limit applies to the total life, accidental dismemberment and *Critical Illness Insurance* benefits payable to one person.

Note: The amount of coverage will be subject to the maximum *Critical Illness Insurance Amounts* and any other applicable restrictions as outlined in your insurance approval letter or Certificate of Insurance.

How A Critical Illness Insurance Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the date of diagnosis.

When a benefit is paid, subject to the maximum *Critical Illness Insurance Amount* of \$300,000, we pay the following amount associated with your *Line of Credit*:

- the outstanding balance up to your *Insurance Amount* on the date of diagnosis*. We will not pay more than this outstanding balance;
- any discharge or penalty fees;

- any interest owing;
- minus any *Line of Credit* payments that are in arrears prior to the date we determine benefits.

*Payment is always subject to the section “When A *Critical Illness Insurance* Benefit May Be Limited”.

When A *Critical Illness Insurance* Benefit May Be Limited

The *Critical Illness Insurance* benefit may be limited if diagnosis of the covered critical illness results directly or indirectly from any illness or condition for which you had symptoms, received medical consultation, treatment, care or services, including prescribed medication within the 12 months prior to the date of diagnosis.

In such case, the insurance benefit will be the lesser of:

- the outstanding balance on the date of diagnosis subject to the *Critical Illness Insurance Amount**; or
- 110% of the average statement balances for this insured *Line of Credit* for the past 12 months.

For Example:

Statement Balance	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
	1,000	1,100	1,200	1,300	1,400	1,500	1,600	1,700	1,800	5,000	5,500	6,000
Average statement balance	$(1000 + 1100 + 1200 + 1300 + 1400 + 1500 + 1600 + 1700 + 1800 + 5000 + 5500 + 6000) \div 12 = \2425											
Insurance benefit paid	$\$2425 \times 110\% = \2667.50											

*For more information, please refer to section “Maximum Amounts You Can Apply For”.

When We Pay A *Critical Illness Insurance* Benefit

In the event you are diagnosed with *Cancer (life-threatening)*, Acute Heart Attack, or *Stroke* we will pay a benefit to *TD Bank* up to your *Critical Illness Insurance Amount*, subject to any limitations set out in this Certificate of Insurance.

When We Will Not Pay A *Critical Illness Insurance* Benefit

- *your* diagnosis of a covered condition occurs within 24 months of *you* becoming covered under this Certificate of Insurance, and is a result of an illness or condition for which *you* had symptoms or received medical consultation, treatment, care or services, including prescribed medication, during the 24 months prior to the start of *your Critical Illness Insurance* (this is called a “**pre-existing condition**”);
- *your* claim is a result of *your* use of illegal or illicit drugs or substances;
- *your* claim is a result of *your* misuse of medication obtained with or without prescription; or
- a diagnosis of *Cancer (life-threatening)* or investigation leading to a diagnosis, occurs within 90 days when *your* coverage starts. In this instance, all insurance premiums paid will be refunded.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All *Your* Coverage”.

When We May Not Pay Any Benefit and Terminate All *Your* Coverage

- *you* give any false or incomplete responses to information that *we* require to approve *your* insurance; or
- *you* give any false or incomplete information when requesting any change to *your* coverage.

This applies to the responses in *your Application* and to any other information *we* receive from *you*, whether in writing, electronically or by telephone.

Insurance Amounts After a Benefit Is Paid

- When *we* pay an accidental dismemberment insurance benefit *your Critical Illness Insurance Amount* and *Life Insurance Amount* is reduced by the amount of the payment.
- When *we* pay a *Critical Illness Insurance* benefit, *your Life Insurance Amount* is reduced by the amount of the payment.
- When *we* pay an insurance benefit, the reduction in *your Critical Illness Insurance Amount* or termination of *your* coverage will not impact the *Critical Illness Insurance Amount* of other insured borrowers on *your Line of Credit*.

For Example:

Your Life Insurance Amount is \$200,000. When your Critical Illness Insurance claim is approved, the balance on your Line of Credit as of the date of diagnosis is \$100,000. After your Critical Illness Insurance benefit is paid, your Life Insurance Amount is reduced to \$100,000.

When Your Critical Illness Insurance Ends

Your Critical Illness Insurance on your Line of Credit will end without notice to you on the date that your Life Insurance ends, as described in the section “When Your Life Insurance Ends,” or when any of the following occurs:

- *if we pay any Critical Illness Insurance benefit on you to your insured Line of Credit;*
- *a diagnosis of Cancer (life-threatening) or investigation leading to a diagnosis, occurs within 90 days from when your coverage starts;*
- *we receive a written request from you to cancel your Critical Illness Insurance or, if we are able to confirm your identity, and we receive your request by telephone to cancel your Critical Illness Insurance. If there is more than one borrower insured on the Line of Credit, each insured borrower must provide a request to cancel coverage individually; or*
- *if you are covered under the Creditor Defined Plan, your 5-year period of coverage has come to an end, or you turn 70 while enrolled in the Creditor Defined Plan.*

This will not end insurance coverage for other insured borrowers on the Line of Credit.

When your insurance coverage ends for any reason, we will not notify the other person(s) liable to TD Canada Trust for the Line of Credit.

We will refund any premiums we may owe you after your coverage ends. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: *Your insurance coverage may end prior to the repayment of your Line of Credit.*

Definitions Applicable To *Critical Illness Insurance Coverage*

Acute Heart Attack: the death of a portion of *your* heart muscle resulting from inadequate blood supply for which the following test results are confirmed:

- an increase of cardiac bio-markers and/or enzymes found in the blood stream, as a result of damaged heart muscle tissue, to levels considered diagnostic for an acute myocardial infarction.

Diagnosis of the *Acute Heart Attack* must be made by a qualified cardiac specialist.

Acute Heart Attack does not include:

- an incidental finding of electrocardiogram changes suggesting a prior myocardial infarction with no corroborating event;
- an increase of cardiac bio-markers and/or enzymes due to coronary angioplasty (a medical procedure involving the ballooning of a narrowed coronary artery) unless there are new elevations of ST segments in the involved electrocardiogram leads considered diagnostic for an acute myocardial infarction; or
- an increase of cardiac bio-markers and/or enzymes in the blood stream due to pericarditis or myocarditis.

Application: the completed written, printed, electronic, and/or telephone application for *Line of Credit Critical Illness* and *Life Insurance*, including the *Health Questionnaire*, if applicable.

Cancer (life-threatening): a life-threatening tumour characterized by the uncontrollable growth and spread of malignant cells.

Cancer (life-threatening) does not include:

- carcinoma in situ;
- malignant melanoma to a depth of .75mm or less;
- skin cancer that has not spread beyond the deepest layer of the skin;
- Kaposi's sarcoma;
- Stage A (T1A or T1B) prostate cancer; or
- any diagnosis or investigation leading to a diagnosis, which occurs within 90 days when *your* coverage starts.

Creditor Defined Plan: *Life Insurance or Critical Illness and Life Insurance* for a 5-year period of coverage, up to a maximum of \$300,000 for Life and \$300,000 for Critical Illness. Individuals enrolled in this plan must re-apply if seeking to maintain credit protection on their *Line of Credit* beyond their 5-year period of coverage.

Critical Illness Insurance Amount: the maximum amount that may be payable as a *Critical Illness Insurance* benefit. It is equal to the lesser of (i) the credit limit/plan limit of the *Line of Credit*, or (ii) partial coverage amount indicated in the letter sent approving *you* for coverage, or (iii) \$300,000. The *Critical Illness Insurance Amount* may change. For more information, please refer to the section “*Insurance Amounts after a Benefit is Paid*”.

Health Questionnaire: the detailed questionnaire that must be completed in order to be considered for the full term on *your Line of Credit* if *you* answer “YES” to any of the health questions on the *Application*.

Stroke: a cerebrovascular event producing neurological sequelae lasting more than 30 consecutive days and caused by thrombosis, hemorrhage or embolism from an extra-cranial source, and for which there is evidence of measurable, objective neurological deficit.

Stroke does not include:

- Transient Ischemic Attacks

Additional Conditions to Coverage

The following sections explain additional conditions that may apply to *your Life Insurance or Critical Illness and Life Insurance*. If any of these additional conditions apply to *you*, we will let *you* know in writing.

The additional conditions to coverage are subject to all exclusions and limitations to *Life Insurance* and *Critical Illness Insurance* coverage outlined in the following sections:

- “When We Will Not Pay a Life Benefit”, page 12
- “When We Will Not Pay An Accidental Dismemberment Benefit”, page 13
- “When We Will Not Pay A *Critical Illness Insurance* Benefit”, page 19
- “When We May Not Pay Any Benefit And Terminate All *Your Coverage*”, page 19
- “When *your Life Insurance* Ends”, page 15, and;
- “When *your Critical Illness Insurance* Ends”, page 20.

Creditor Defined Plan

The *Creditor Defined Plan* provides the same coverage as *Life Insurance* or *Critical Illness and Life Insurance* up to a maximum of \$300,000 per coverage but is limited to a 5-year period.

Note: Please refer to the “*Life Insurance*” and “*Critical Illness Insurance*” sections on pages 10 and 16.

To be considered for the *Creditor Defined Plan*, you will need to provide your consent on your *Application*. Your consent to be enrolled does not guarantee your enrollment in coverage. We may not be able to provide you with any coverage if you do not meet our standard approval criteria.

There are two circumstances when you may consent to be enrolled in the *Creditor Defined Plan*:

- Depending on your answers to the questions on the *Health Questionnaire*, we may determine that you do not qualify for coverage on the full-term of your *Line of Credit*. In this case, you may choose to be enrolled in the *Creditor Defined Plan* if you meet our standard approval criteria; or
- In the event that we are unable to reach you to complete the *Health Questionnaire* and complete our underwriting process, we will not be able to consider you for coverage for the full-term on your *Line of Credit*.

If you are enrolled in our *Creditor Defined Plan*, your coverage effective date is the date we write to let you know that we have approved you for *Life Insurance* or *Critical Illness and Life Insurance*. Our 30-day money-back guarantee described on page 32 applies if you are enrolled in the *Creditor Defined Plan*.

At the end of the 5-year period following your coverage effective date, you will need to complete a new *Application* for coverage if you wish to maintain credit protection on your *Line of Credit*.

Premiums are calculated based on your age at billing, your average monthly balance and number of days in the billing period.

Please note that individuals who are approved under the *Creditor Defined Plan* will not be considered for *Recognition of Prior Coverage* as described under section “*Recognition of Prior Coverage*” on page 23.

Recognition Of Prior Coverage

We may approve you for full or partial coverage on your *Line of Credit*, based on the amount previously insured, if:

- you do not meet our health requirements; or
- you are over age 55 but under 70; and

- you were insured with us under a previous *Line of Credit* or *Mortgage* with coverage other than our *Creditor Defined Plan*.

To qualify for recognition of prior coverage, you must apply within 30 days of the:

- discharge of your existing *TD Canada Trust Mortgage*; or
- closure of your existing *Line of Credit*.

Your maximum coverage amount, under Recognition of Prior Coverage, will be a flat dollar amount equal to the balance of the discharged mortgage or the credit limit or plan limit on the previous *Line of Credit*. We will specify the amount in the letter we send approving you for coverage.

For Example:

Your existing *Line of Credit* or *Mortgage* covered with *Life Insurance* for \$75,000 is being replaced by a new *Line of Credit* for \$183,000. *Life Insurance* approved on your new *Line of Credit* will be \$75,000. At claim time, the maximum amount that can be paid is \$75,000.

Partial Coverage

If you have more than one *Line of Credit* and you apply for *Life* or *Critical Illness* and *Life Insurance*, we may offer you coverage up to the maximum of \$300,000 distributed between your *Lines of Credit*. If the total of all your *Lines of Credit* are over \$300,000, the maximum benefit paid will equal \$300,000.

The following two examples illustrate when we would offer partial coverage:

Example 1:

- You have *Critical Illness* and *Life* coverage on your first *Line of Credit* for \$100,000.
- You are approved for a second *Line of Credit* for \$400,000.
- Since maximum coverage offered is \$300,000, the remaining *Critical Illness* and *Life* coverage available on your second *Line of Credit* is \$200,000 (\$300,000 - \$100,000).
- If at claim time the balance on your second *Line of Credit* is \$300,000, then the maximum amount payable under your partial coverage will be \$200,000.

Example 2:

Your *Line of Credit* limit was \$600,000 when you applied for *Life or Critical Illness and Life Insurance*.

- The maximum coverage offered is \$300,000.
- If at claim time the balance on your *Line of Credit* is \$400,000, then the maximum amount payable under your partial coverage will be \$300,000.

Premium Information for *Critical Illness and Life Insurance*

- *Critical Illness Insurance* premiums and *Life Insurance* premiums for each covered borrower are calculated separately at the time each borrower applies for coverage and billed jointly.
- Your premium will fluctuate based on your age at billing, your average monthly balance and number of days in the billing period.
- The rate to calculate your premium is based on your age at billing.
- A 15% multi-insured discount will apply to the *Life Insurance* premium if two or more persons are insured with *Life Insurance* on the billing date.
- A 20% discount will apply to the premium for the average balance portion that exceeds \$75,000. We call this a **tier discount**.
- A 15% multi-insured discount will apply to the *Critical Illness Insurance* premium if two or more persons are insured with *Critical Illness Insurance* on the billing date.
- Provincial sales taxes are added to your premiums, if applicable.

The monthly average balance is calculated using the average daily balances for the *Line of Credit* during the insurance billing period. If the daily balance you owe on any day is negative, we will use a daily balance of zero for that day in this calculation. Daily balances for the revolving portion and any fixed portions will be combined into a single amount and used to calculate premiums.

Note: The average balance used to calculate premiums will be capped at the *Insurance Amount*.

For Example:

If *your* monthly average balance on *your Line of Credit* is \$400,000 and *you* have a maximum coverage of \$300,000, the average balance used in *your* premium calculation will be \$300,000.

Your insurance billing period usually starts on the last business day of the previous month, and ends on the second last business day of the current month. The number of days in an insurance billing period depends on the number of days in each month.

If *your* coverage begins during the middle of the month, *your* insurance billing period will start on the day *your* coverage starts. Similarly, *your* last insurance billing period will end on the day *your* coverage terminates.

The premium rates per \$1,000 of coverage are shown in the table on the next page. These rates do not include provincial sales taxes.

Note: If we increase the rates, the increase will apply to everyone covered. We'll let *you* know before making any changes to the rates.

Misstatement of Age

If a Certificate of Insurance is issued on an insured person based on an incorrect age, the following may apply:

- If *you* are still eligible for insurance, the premium amount will be adjusted to the correct amount based on the correct date of birth at the *your* effective date; and
 - If overpaid, we will refund the excess premiums calculated at the time a claim is made against this Certificate of Insurance; or
 - If underpaid, we will decrease the benefit amount by the amount underpaid at the time a claim is made against this Certificate of Insurance;
- If *you* are not eligible for insurance, all coverages under this Certificate of Insurance will be considered never to have been in force and we will refund all premiums paid.

How To Calculate Your Premium

We will withdraw *your* insurance premiums, plus any applicable provincial sales taxes on the last business day of each month from *your Line of Credit* account.

To calculate *your* monthly premium:

1. Find the rate that applies to *you* in the table.
2. Multiply the rate by the average balance for *your Line of Credit* during the insurance billing period and divide it by 1,000.
3. Multiply the result (from step 2) by 12, then divide by 365 to get the daily premium.

4. Multiply the daily premium by the number of days in *your* insurance billing period.
5. Apply the multi-insured discount, if applicable.
6. Apply the tier discount, if applicable.
7. Apply provincial sales tax, if applicable.

Examples:

Your monthly premium is dependent on the number of days in your insurance billing period. For illustration purposes, we will use a 31-day billing period in the following examples.

Single Applicant

You are 34 years old and the average balance for *your Line of Credit* this month was \$20,000. *Your* monthly insurance premium would be:

	Life	Critical Illness
Step 1:	\$0.22	\$0.22
Step 2:	$\$0.22 \times \$20,000 \div 1000 = \$4.40$	$\$0.22 \times \$20,000 \div 1000 = \$4.40$
Step 3:	$\$4.40 \times 12 \div 365 = 0.1447$	$\$4.40 \times 12 \div 365 = 0.1447$
Step 4:	$0.1447 \times 31 = \$4.48$	$0.1447 \times 31 = \$4.48$
Step 5:	N/A	N/A
Step 6:	N/A	N/A
Monthly premium $\$4.48 + \$4.48 = \$8.96$ plus applicable provincial sales tax.		

Multiple Applicants

You are 34 years old, *your* spouse is 32 and the average balance on *your Line of Credit* this month is \$20,000. *Your* monthly insurance premium for joint coverage would be:

	Life	Critical Illness
Step 1:	$\$0.22 + \$0.20 = \$0.42$	$\$0.22 + \$0.20 = \$0.42$
Step 2:	$\$0.42 \times \$20,000 \div 1000 = \$8.40$	$\$0.42 \times \$20,000 \div 1000 = \$8.40$
Step 3:	$\$8.40 \times 12 \div 365 = 0.2762$	$\$8.40 \times 12 \div 365 = 0.2762$
Step 4:	$0.2762 \times 31 = \$8.56$	$0.2762 \times 31 = \$8.56$
Step 5:	$\$8.56 - 15\% = \7.28	$\$8.56 - 15\% = \7.28
Step 6:	N/A	N/A
Monthly premium $\$7.28 + \$7.28 = \$14.56$ plus applicable provincial sales tax.		

Single Applicant With A Tier Discount

You are 34 years old and the average balance for your *Line of Credit* this month was \$200,000. A “tier” discount of 20% will be applied to the premiums for the portion of the balance that exceeds \$75,000. Your monthly *Life Insurance* premium would be:

	Life
Step 1:	\$0.22
Step 2:	$\$0.22 \times \$75,000 \div 1000 = \$16.50$ $\$0.22 \times (\$200,000 - \$75,000) \div 1000 = \27.50
Step 3:	$\$16.5 \times 12 \div 365 = 0.5425$ $\$27.5 \times 12 \div 365 = 0.9041$
Step 4:	$0.5425 \times 31 = \$16.82$ $0.9041 \times 31 = \$28.03$
Step 5:	N/A
Step 6:	$\$28.03 - 20\% = \22.42
Monthly premium $\$16.82 + \$22.42 = \$39.24$ plus applicable provincial sales tax.	

Additional Information

As a general rule, no benefit is payable until a withdrawal has been made on the *Line of Credit*. The following exception applies with respect to the purchase of real estate:

- you enter into an Agreement of Purchase and Sale for a house or other real estate; and
- *TD Canada Trust* commits to advance funds to pay for the real estate; and
- you suffer a loss that would be covered under this Certificate of Insurance after coverage starts but before the funds are advanced;

then in this instance, any *Line of Credit* funds advanced by *TD Canada Trust* to pay for the real estate will be included to calculate the benefit.

Commonly Asked Questions

About *Line of Credit Critical Illness* and *Life Insurance*

Is This Insurance Mandatory?

Applying for *Line of Credit Critical Illness* and *Life Insurance* is optional. You aren't required to have this product to obtain any *TD Canada Trust* products or services. But remember the benefits. If you were to die, suffer an accidental dismemberment or be diagnosed with a covered critical illness without it, would your family be able to manage your *Line of Credit* payments?

Can You Sign Up At Any Time?

Yes. As long as the *Policy** remains in force and you remain eligible to apply, there are no time constraints preventing you from taking advantage of low-cost coverage to protect your *Lines of Credit*. Your *TD Canada Trust* representative will be pleased to provide you with a *Line of Credit Critical Illness and Life Insurance Application*.

What If You Change Your Mind?

Your satisfaction and financial security are important to us. That's why we offer a **30-day money-back guarantee**. If for any reason you are dissatisfied with your insurance coverage, you may cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

You can cancel your own coverage at any time without the consent of the other borrowers by phone or by written request. If there is more than one borrower insured on the *Line of Credit*, each insured person must provide a separate request to cancel coverage.

To Cancel By Phone

You can call TD Life at **1-888-983-7070** and, if we are able to confirm your identity, you will be able to cancel your coverage. In that case, your cancellation will be effective as soon as we complete the call.

To Cancel By Written Request

You can obtain a cancellation form at any *TD Canada Trust* branch, or by calling TD Life at **1-888-983-7070**. Please send the form to the address at the back of

this booklet. If you cancel your coverage by written request, we will honour your request on the date we receive it. We will refund any premiums we may owe you after your coverage has been cancelled.

Why Would Your Premium Fluctuate?

Your monthly premium is calculated based on your age at billing, average balance, and the number of days in an insurance billing period. Your age can change at time of billing and the number of days in an insurance billing period may change from month to month, so your monthly premium can change even if your balance stays the same.

Your insurance billing period starts on the last business day of the previous month and ends on the second last day of the current month.

Is Your Balance Covered In Full?

There are situations where your insurance coverage is less than your outstanding debt.

The maximum available coverage is \$300,000 on all your TD Canada Trust Lines of Credit combined.

If your total credit limit or plan limit for all of your insured Lines of Credit is higher, you may have partial coverage on some of the Lines of Credit. Also, if you're not eligible for insurance based on your health or age, you might be approved for coverage if you were insured on a previous product. Sometimes, depending on the amount you were previously insured for, this means that the maximum benefit under your new Line of Credit is less than the full credit limit or plan limit.

Also, even if the maximum payable on your Line of Credit is the full amount of your credit limit or plan limit, in some cases, benefits can be limited. Limitations can apply if you didn't have to provide evidence of good health for your coverage, or if you suffer related symptoms in the 12 months before you die or are diagnosed with a covered critical illness.

For more information, please refer to sections "Maximum Life Insurance Amounts You Can Apply For" and "Maximum Critical Illness Insurance Amounts You Can Apply For" in this booklet.

Can Your Insurance End Before You Pay Off The Debt?

There are situations where your coverage may end before you pay off the balance in full and close your Line of Credit.

For Example:

Your insurance will end when you turn 70 years old or if your insurance premiums are in arrears for more than three months.

For more information, please refer to sections “When Your Life Insurance Ends” or “When Your Critical Illness Insurance Ends” in this booklet.

We also ask you to authorize TD Life to share any non health-related information about you with our affiliates so they may offer you other products and services and maintain a business relationship with you.
