

## New to MyInsurance?

Take a tour.

Discover how easy it is to manage your policy.

Start the tour.

## Get to Know MyInsurance

Access and manage your home & auto policies right from MyInsurance.

Check your billing details, add a vehicle to your policy, track a claim and more.

## Finding Your Way Around

You can quickly find almost everything you need from the main navigation area.

## Policy & Billing Info

You can find a summary of your policy and billing information, and request changes to modify your policy.

## Recent Claims

When you use one of our preferred vendors, you can track the status of an open home or auto claim, including the progress of vehicle repairs

## Getting Help

Have questions? You have several ways to get answers.

First try our Info Centre in the main menu.

If you still need help, call us or send us a secure message using the Contact Us page.

## MyInsurance

Get convenient access to your policies whenever and wherever you want!
