Credit Protection – What You Need to Know

Who Is Eligible For Insurance

Mortgage Critical Illness and Life Insurance are optional creditor's group insurance coverages for TD Canada Trust Mortgage borrowers or guarantors.

You can apply for this insurance if you are:

- A Canadian resident; and either
- 18-69 years old for Life Insurance; or
- 18-55 years old for Critical Illness Insurance

For a complete list of eligibility requirements please refer to pages 7 and 8 of your Certificate of Insurance.

You may be eligible for coverage under the Creditor Defined Plan (insurance coverage for a period of five years) if you do not meet our standard approval criteria for the full term of your mortgage or if we are unable to reach you to complete the Health Questionnaire. We will notify you in writing if this is the case. For full details on the Creditor Defined Plan please see page 21 of your Certificate of Insurance.

If the total of all your TD Mortgage(s) exceeds \$1,000,000, we may offer you partial coverage (for full details on partial coverage please see page 23 of your Certificate of Insurance). In this instance, you will be notified in writing of our decision.

Note: Critical Illness Insurance is only available if you have Mortgage Life Insurance.

What Are The Benefits

The insurer ('We' meaning TD Life or Canada Life) can pay TD Canada Trust up to \$1,000,000 for Life Insurance, or up to \$1,000,000 for Critical Illness Insurance, to be applied towards your mortgage.

This includes payments towards:

- ✓ your outstanding mortgage principal amount less any unpaid arrears
- ✓ any mortgage interest and insurance premiums owing
- ✓ any discharge or penalty fees on your mortgage
- ✓ any overdrawn balance in your property tax account

Note: TD Life provides accidental dismemberment coverage and Canada Life is the provider for all other coverages.

 See pages 10 and 16 of the Certificate of Insurance for details.

How Does The Coverage Work

Life Insurance covers you for the following covered events: death, terminal illness, and accidental dismemberment.

Critical Illness Insurance covers you for the following covered events: Cancer (life threatening), Acute Heart Attack, and Stroke.

Note: Mortgage Critical Illness Insurance is only available if you have Mortgage Life Insurance.

 See pages 10-29 of the Certificate of Insurance for the definition of covered events and for coverage details.

When The Insurance Coverage Starts

- If you answered “NO” to all health questions, then Critical Illness coverage starts on the date you applied for coverage.
- If you answered “NO” to questions 1 to 4 in your Application, then Life coverage starts on the date you applied for coverage.
- If you answered “YES” to any of the health questions, you will need to complete a separate Health Questionnaire or give consent to be considered for the Creditor Defined Plan. In these instances, your coverage starts when you are notified in writing that you are approved.

When The Insurance Coverage Ends

Mortgage Critical Illness and Life Insurance may end before your mortgage is fully paid.

For example, it will end when:

- your mortgage is transferred to a different lender;
- your insurance premium is in arrears 3 consecutive months; or
- your 5-year period of coverage under the Creditor Defined Plan has come to an end, or you turn 70; or
- an insurance benefit is paid towards your mortgage.

 See page 15 and 19 of the Certificate of Insurance for details of when coverage ends.

How To Submit A Claim

For more information on submitting a claim, call TD Life at **1-888-983-7070** or see page 8 of the Certificate of Insurance for details.

How To Cancel Coverage

You can cancel your own coverage **at any time**. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

To cancel, contact us at **1-888-983-7070** or alternatively contact your TD Canada Trust Branch.

When An Insurance Benefit Will Not Be Paid

The coverages have certain limitations and exclusions. Here are some examples of when an insurance benefit will not be paid:

- you give any false or incomplete responses to any of the health questions; or
- you are diagnosed with Cancer (life threatening) in the first 90 days after coverage starts. Should this happen, Critical Illness Insurance will terminate and premiums paid will be refunded.

 See pages 12-14 and 18-19 of the Certificate of Insurance for details of coverage limitations and exclusions.

How To Calculate The Premium

Your premium is calculated based on your age and the amount of your mortgage at application. Your insurance premiums will be included as part of your regular mortgage payment.

Follow the steps below which demonstrate how to calculate your premium. This example provides a sample calculation for a 34 year old living in Ontario and includes applicable taxes[†] and rate reductions.

			Sample Calculation
Step 1:	____(A)	Premium Rate	\$0.17
Step 2:	____(B)	Mortgage Amount	\$700,000
Step 3:	____(C)	Insured Benefit percentage	100%
Step 4:	____(D)	BxC=D, D is the Insured Benefit	\$700,000 x 100% = \$700,000
Step 5:	____(E) ____(F) ____(G)	Premium for Insured Benefit up to \$300,000 Premium for Insured Benefit between \$300,000 to \$500,000 Premium for Insured Benefit over \$500,000	$(0.17 \times \$300,000) \div 1000 = \51.00 $(0.17 \times 0.75 \times \$200,000) \div 1000 = \$25.50$ $(0.17 \times 0.65 \times \$200,000) \div 1000 = \$22.10$
Step 6:	____(H)	E+F+G=H, H is the monthly premium	$\$51.00 + \$25.50 + \$22.10 = \98.60
Step 7:*	____(I)	H + (H x your provincial tax rate) = I, I is the monthly premium after tax	$\$98.60 + (\$98.60 \times 0.08 = \$7.88) = \106.48

*Follow step 7 only if provincial sales tax applies

For insured amounts over \$300,000 your premium rates will decrease as your coverage amount increases up to the maximum of \$1,000,000 (as demonstrated in step 5 above). For full details on applicable rate reductions refer to the section 'Premium Information for Critical Illness and Life Insurance' on page 30.

If another person also becomes insured for Critical Illness and Life Insurance on the same mortgage, a 25% discount will be applied to each of your individual premiums.

 See page 32 of the Certificate of Insurance for additional examples of the premium calculations.

Protecting Your Family And Your Home

Buying a home is often the single largest purchase a person will make in their lifetime. This is why it is important to protect your investment. But what would happen if you were to become critically ill, suffer an accident or die? Would your family be able to keep making the mortgage payments? Would they have to sell your home?

This booklet describes the insurance provided to **TD Canada Trust Mortgage customers** who are covered by optional **Mortgage Critical Illness and Life Insurance**. The insurance provides coverage for life, terminal illness, accidental dismemberment and critical illness coverages.

If you don't safeguard the lifestyle you've earned and the security your family deserves, you could be exposing them to unexpected financial hardship. Mortgage Critical Illness and Life Insurance is protection for your mortgage, which can help protect your family from the unexpected.

Terminal illness and accidental dismemberment coverage are included with Life Insurance coverage, while Critical Illness Insurance is an optional additional coverage. You need to have Mortgage Life Insurance to obtain Critical Illness Insurance.

Once you're insured, the insurance benefit can pay down or eliminate the principal balance of your insured TD Canada Trust Mortgages.

Mortgage Critical Illness and Life Insurance offers competitive group premium rates based on the age of the person being insured. The monthly insurance cost is based on your age when you apply and the amount of your mortgage.

There can be more than one insured individual (borrowers or guarantors) for Mortgage Critical Illness and Life Insurance. A 25 per cent discount applies to you where there are multiple insured persons on the same mortgage.

When Your Life Insurance Starts

Once *your Mortgage* has been approved, *your* coverage starts:

- On the date *you* applied for coverage if *you* answered “NO” to health questions 1 to 4 in *your Application* (Section: Information about *your* health) and the amount of coverage requested for all *your* insurable *TD Canada Trust Mortgages* combined is \$500,000 or less; or
- On the date we write to let *you* know that we have approved *your Life Insurance* for the full term of *your Mortgage* if *you* answered “YES” to health questions 1 to 4 in *your Application* (Section: Information about *your* health) or if the amount of coverage requested for all *your* insured *TD Canada Trust Mortgages* combined is greater than \$500,000.

If *you* have an existing *Mortgage* with active *Life Insurance* or active *Life Insurance and Critical Illness Insurance*, and *you* are refinancing or applying for increase in coverage, then *your* coverage start date will be as outlined in section “*Continuation of Coverage for Life Insurance*” on page 26.

When You Must Complete a Health Questionnaire

Note: We reserve the right to change *our* underwriting requirements and the questions in the *Application* at any time.

Maximum *Life Insurance* Amounts You Can Apply For

You can apply to insure the amount of *your Mortgage* to a maximum of \$1,000,000 for *Life Insurance* (life, terminal illness and accidental dismemberment coverages) for all of *your* combined *Mortgages*.

Once *your Application* has been completed and prior to funding:

- *you* may apply to increase or decrease *your Mortgage* amount; and if
- TD Canada Trust approves the new amount of *your Mortgage*; then
- the amount of coverage will be calculated based on the funded amount of *your Mortgage*.

Note: The amount of coverage will be subject to the maximum *Life Insurance* amounts and any other applicable restrictions in *your* insurance approval letter or Certificate of Insurance.

How A *Life Insurance* Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the following dates:

- for life coverage, the date of death;
- for terminal illness coverage, the date the claim is received by us;
- for accidental dismemberment coverage, the date of the *Accident*, which caused a covered loss.

When a benefit is paid, subject to the maximum *Life Insurance* amount of \$1,000,000, we pay a benefit equal to:

- the outstanding balance on *your Mortgage*. We will not pay more than the outstanding balance on *your* insured *Mortgage(s)*; or
- a percentage of the outstanding balance on *your Mortgage* equal to the *Insured Benefit* percentage, as described in section "Partial Coverage".

In addition, subject to the maximum *Life Insurance* amount of \$1,000,000, we pay the following amount associated with *your Mortgage*:

- any discharge or penalty fees;
- any overdrawn balance in *your* property tax account, if *you* have arranged for TD Canada Trust to make these payments; and
- any interest owing.

Note: We will deduct from the insurance benefit any *Mortgage* payments that were in arrears prior to the date we determined the benefits.

For *Mortgages* with partial coverage, the amount of the *Life Insurance* benefit available will be limited to the *Insured Benefit* percentage of the outstanding balance on *your Mortgage* that is either:

- specified at time of *Application*; or
- specified in the letter we sent *you* approving *your* partial coverage.

Any *Life Insurance* benefit is subject to the coverage maximum.

When We Pay A Life Benefit or Terminal Illness Benefit

In the event of death, we will pay a benefit to *TD Bank*, as described in “How A *Life Insurance* Benefit Amount Is Determined” and subject to any limitations set out in the Certificate of Insurance.

In the event *you* are diagnosed with an illness that will cause *your* death within one year, we will pay a benefit to *TD Bank*, as described in “How A *Life Insurance* Benefit Amount Is Determined” and subject to any limitations set out in the Certificate of Insurance.

We will refund any premiums we may owe *you* after *your* coverage ends. If *you* cancel *your* coverage within the first 30 days, *your* premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: *Your* insurance coverage may end prior to the repayment of *your Mortgage*.

Application: the completed written, printed, electronic and/or telephone application for *Mortgage Life Insurance* or *Mortgage Critical Illness and Life Insurance* or the *Continuation of Coverage for Mortgage Critical Illness Insurance and Life Insurance* or *Continuation of Coverage for Mortgage Life Insurance* or the *Continuation of Coverage for Mortgage Life Insurance and Application for Critical Illness Insurance* including the *Health Questionnaire*, if applicable.

Creditor Defined Plan: *Life Insurance* or *Critical Illness and Life Insurance* for a 5-year period of coverage, up to a maximum of \$500,000 for Life and \$500,000 for Critical Illness. Individuals enrolled in this plan must re-apply if seeking to maintain credit protection on their *Mortgage* beyond their 5-year period of coverage.

Life Insurance: includes life, terminal illness and accidental dismemberment coverages.

Critical Illness Insurance

Critical Illness Insurance covers Cancer (life threatening), Acute Heart Attack and Stroke.

When Your Critical Illness Insurance Starts

Once *your Mortgage* has been approved, *your Critical Illness Insurance* starts:

- on the date you applied for coverage if you answer "NO" to all health questions in *your Application* (Section: Information about *your* health) and the amount of coverage requested for all *your* insurable TD Canada Trust *Mortgages* combined is \$500,000 or less; or

- on the date we write to let you know that we have approved your *Critical Illness Insurance* for the full term of your *Mortgage* if you answer “YES” to any of the health questions in your *Application* (Section: Information about your health) or if the amount of coverage requested for all your insured *TD Canada Trust Mortgages* combined is greater than \$500,000.

If you have an existing *TD Canada Trust Mortgage* with active *Life Insurance* and *Critical Illness Insurance*, and you are refinancing or applying for an increase in coverage, then your coverage start dates will be outlined in section “*Continuation of Coverage for Critical Illness Insurance*” on page 28.

When You Must Complete a *Health Questionnaire*

- You will need to complete a *Health Questionnaire* in order to be considered for coverage on the full term of your *Mortgage* if you answer “YES” to any of the questions in your *Application* (Section: Information about your health).
- You will need to complete a *Health Questionnaire* in order to be considered for coverage on the full term of your *Mortgage* if the amount of coverage requested for all your insured *TD Canada Trust Mortgages* combined is greater than \$500,000.
- We will review your *Application* and let you know by mail if you are approved.

Note: We reserve the right to change our approval requirements and the questions in the *Application* at any time.

If you apply for *Critical Illness Insurance* in addition to *Life Insurance* and we require additional information from you, your coverages may start on different dates, but your *Critical Illness Insurance* can never begin before your *Life Insurance*.

Maximum *Critical Illness Insurance* Amounts You Can Apply For

You can apply to insure the amount of your *Mortgage* up to a maximum of \$1,000,000 for *Critical Illness Insurance* for all of your combined *Mortgages*.

Once your *Application* has been completed and prior to funding:

- you may apply to increase or decrease your *Mortgage* amount; and if
- *TD Canada Trust* approves the new amount of your *Mortgage*; then
- the amount of coverage will be calculated based on the funded amount of your *Mortgage*.

Note: The amount of coverage will be subject to the maximum *Critical Illness Insurance* amounts and any other applicable restrictions in your insurance approval letter or Certificate of Insurance.

How A *Critical Illness Insurance* Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the date of diagnosis.

When a benefit is paid, subject to the maximum *Critical Illness Insurance* amount of \$1,000,000, we pay a benefit equal to:

- the outstanding balance on *your Mortgage*. We will not pay more than the outstanding balance on *your insured Mortgage(s)*; or
- a percentage of the outstanding balance on *your Mortgage*, as described in sections "Partial Coverage" and "Recognition of Prior Coverage".

In addition, subject to the maximum *Critical Illness Insurance* amount of \$1,000,000, we pay the following amount associated with *your Mortgage*:

- any discharge or penalty fees;
- any overdrawn balance in *your* property tax account, if *you* have arranged for *TD Canada Trust* to make these payments; and
- any interest owing.

Note: We will deduct from the insurance benefit any *Mortgage* payments that were in arrears prior to the date we determined the benefits.

For *Mortgages* with partial coverage, the amount of the *Critical Illness Insurance* benefit will be limited to the *Insured Benefit* percentage of the outstanding balance on *your Mortgage* that is either:

- specified at time of *Application*; or
- specified in the letter we send *you* approving *your* partial coverage.

Any *Critical Illness Insurance* benefit is subject to the maximum coverage amount.

When We Pay A *Critical Illness Insurance* Benefit

In the event *you* are diagnosed with *Cancer (life threatening)*, *Acute Heart Attack*, or *Stroke* we will pay a benefit to *TD Bank* as described in "How A *Critical Illness Insurance* Benefit Is Determined".

When We Will Not Pay A *Critical Illness Insurance* Benefit

- *your* diagnosis of a covered condition occurs within 24 months of the start of *you* becoming covered under *your* existing *Critical Illness Insurance* and *your* diagnosis is a result of an illness or condition (whether this illness or condition is diagnosed or undiagnosed) for which *you* had symptoms or received medical consultation, tests, treatment, care or services (including without limitation, diagnostic services or measures), including prescribed medication during the 24 months prior to the start of *your Critical Illness Insurance* (this is called a "**pre-existing condition**");
- *your* claim is a result of *your* use of illegal or illicit drugs or substances;

- *your* claim is a result of *your* misuse of medication obtained with or without prescription; or
- a diagnosis of *Cancer (life threatening)* or investigation leading to a diagnosis, occurs within 90 days when *your* existing coverage starts. In this instance, all insurance premiums will be refunded.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All *Your* Coverage”.

If you have *Continuation of Coverage* on your *Critical Illness Insurance*, please see “*Continuation of Coverage for Critical Illness*” on page 28 for additional information.

When We May Not Pay Any Benefit and Terminate All *Your* Coverage

- you give any false or incomplete responses to requests for information that we require to approve *your* insurance; or
- you give any false or incomplete information when requesting any change to *your* coverage.

This applies to the responses in *your Application* and to any other information we receive from you, whether in writing, electronically or by telephone.

When *Your Critical Illness Insurance* Ends

Your Critical Illness Insurance on your *Mortgage* will end without notice to you on the date that *your Life Insurance* ends, as described in the section “When *Your Life Insurance* Ends” on page 15, or when any of the following occurs:

- if we pay any *Life Insurance* benefit on you with respect to *your insured Mortgage**;
- if we pay any *Critical Illness Insurance* benefit on you with respect to *your insured Mortgage*. In this case *Critical Illness* coverage will end for all insured borrowers and guarantors;
- a diagnosis of *Cancer (life threatening)* or investigation leading to a diagnosis occurs within 90 days from when *your* coverage effective date starts;
- we receive a written request from you to cancel *your Critical Illness Insurance* or, if we are able to confirm *your* identity, we receive *your* request by telephone to cancel *your* coverage; or
- if you are covered under the *Creditor Defined Plan*, *your* 5-year period of coverage has come to an end, or you turn 70 while enrolled in the *Creditor Defined Plan*.

*This will end insurance coverage for all insured borrowers and guarantors.

When *your* insurance coverage ends for any reason, we will not notify the other person(s) liable to *TD Canada Trust* for the *Mortgage*.

We will refund any premiums we may owe you after *your* coverage ends. If you

cancel *your* coverage within the first 30 days, *your* premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: *Your* insurance coverage may end prior to the repayment of *your Mortgage*

Additional Conditions to Coverage

The following sections explain additional conditions that may apply to *your Life Insurance or Critical Illness and Life Insurance*. If any of these additional conditions apply to *you*, we will let *you* know in writing.

The additional conditions to coverage are subject to all exclusions and limitations to Life Insurance and Critical Illness Insurance coverage outlined in the following sections:

- “*When We Will Not Pay a Life Benefit or Terminal Illness Benefit*”, page 12
- “*When We Will Not Pay An Accidental Dismemberment Benefit*”, page 13
- “*When We Will Not Pay A Critical Illness Insurance Benefit*”, page 18,
- “*When We May Not Pay Any Benefit And Terminate All Your Coverage*”, page 19
- “*When your Life Insurance Ends*”, page 15, and;
- “*When your Critical Illness Insurance Ends*”, page 19.

Creditor Defined Plan

The *Creditor Defined Plan* provides the same coverage as *Mortgage Life Insurance or Critical Illness and Life Insurance*, up to a maximum of \$500,000 for *Life Insurance* and \$500,000 for *Critical Illness Insurance* but is limited to a **5-year period**.

Note: Please refer to the “*Life Insurance*” and “*Critical Illness Insurance*” sections on pages 10 and 16 for all applicable terms and conditions.

To be considered for the *Creditor Defined Plan*, you will need to provide your consent on your *Application*. Your consent to be enrolled does not guarantee your enrollment in coverage. We may not be able to provide you with any coverage if you do not meet our standard approval criteria.

If you consent, there are two circumstances when you may be enrolled in the *Creditor Defined Plan*:

- Depending on your answers to the questions on the *Health Questionnaire*, we may determine that you do not qualify for coverage on the full term of your *Mortgage*. In this case, you will be enrolled in the *Creditor Defined Plan* if you meet our standard approval criteria; or
- In the event that we are unable to reach you to complete the *Health Questionnaire* and complete our approval process, we will not be able to consider you for coverage for the full term of your *Mortgage*. In this case, you will be enrolled in our *Creditor Defined Plan* if you meet our standard approval criteria.

If you are enrolled in the *Creditor Defined Plan*, your coverage starts on the date we write to let you know that we have approved you for *Life Insurance* or *Critical Illness and Life Insurance*. Our 30-day review period described on page 38 applies if you are enrolled in the *Creditor Defined Plan*.

At the end of the 5-year period following your coverage effective date, you will need to complete a new *Application* for coverage if you wish to maintain credit protection on your *Mortgage*.

Premiums are calculated based on your age and *Mortgage* amount at the time of *Application*. If you complete a new *Application* for coverage at the end of the 5-year period, premium rates will be based on your age at the time of your new *Application*.

If you are enrolled in the *Creditor Defined Plan* and are refinancing your *Mortgage* and you have applied for additional coverage, we may offer you *Continuation of Coverage* for the remainder of your 5-year period of coverage (subject to the maximum coverage amounts and you being eligible to apply). To be eligible to apply for *Continuation of Coverage*:

- you are a Canadian resident;
- you are between 18 and 69 years old;
- you are refinancing or replacing your existing *Mortgage*; and
 - o have active *Life Insurance* or *Critical Illness Insurance* on your existing *Mortgage*; or
 - o apply within 30 days of your *Mortgage* being discharged and your existing coverage being terminated because of the discharge.

If you are approved for *Continuation of Coverage*, your premiums are calculated based on your age at time of *Application for Continuation of Coverage*.

When We Will Not Pay a *Critical Illness Insurance* Benefit under *Creditor Defined Plan*

- your diagnosis of a covered condition occurs within 24 months of you becoming covered under your original *Critical Illness Insurance* and your diagnosis is a result of an illness or condition (whether this illness or condition is diagnosed or undiagnosed) for which you had symptoms or received medical consultation, tests, treatment, care or services (including without limitation, diagnostic services or measures), including prescribed medication during the 24 months prior to the start of your original *Critical Illness Insurance* (this is called a “**pre-existing condition**”);
- a diagnosis of *Cancer (life threatening)* or investigation leading to a diagnosis, occurs within 90 days when your *Original Application* coverage starts. In this instance, all insurance premiums will be refunded.

Note: Individuals who are approved under the *Creditor Defined Plan* will not be considered for recognition of prior coverage as described under section “Recognition of Prior Coverage” on page 25.

For eligibility and details on *Continuation of Coverage*, see pages 26 to 29.

Partial Coverage

If the total of all your *Mortgages* insured with *Life Insurance* or *Critical Illness and Life Insurance* exceeds \$1,000,000, we may offer you partial *Life Insurance* or partial *Critical Illness and Life Insurance*.

Insured Benefit Percentage

If your *Mortgage* is greater than \$300,000, you may choose to apply for partial coverage by selecting an *Insured Benefit* percentage on your *Application*.

The percentage selected for both *Critical Illness Insurance* and *Life Insurance* must be the same and is subject to approval conditions. In addition, the *Insured Benefit* percentage selected for *Critical Illness Insurance* cannot be greater than the percentage selected for *Life Insurance* coverage.

Once your approval process is complete, if we determine the selected *Insured Benefit* percentage for *Critical Illness Insurance* requires adjustment (based on the conditions stated above), we will make the necessary change to the *Insured Benefit* percentage you are approved for.

In this case, *your* maximum partial coverage amount will be a lower percentage of *your Mortgage* than *you* applied for. We will specify this percentage in the letter we send approving *you* for coverage.

The following two examples illustrate when we would offer partial coverage:

Example 1:

- You have \$300,000 *Life Insurance* or *Critical Illness and Life Insurance* coverage on your first *Mortgage*.
- You are approved for a second *Mortgage* for \$1,000,000 and applied for *Life Insurance* or *Critical Illness and Life Insurance*.
- Since maximum coverage offered is \$1,000,000, the remaining coverage available on *your* second mortgage is \$700,000. This is 70% of *your* second mortgage amount ($\$700,000/\$1,000,000$).
- If at claim time the balance on *your* second *Mortgage* is \$100,000, then the maximum amount payable under *your* partial coverage will be 70% of *your* balance on *your* second mortgage (70% of \$100,000 = \$70,000).

Example 2:

- Your *Mortgage* balance is \$1,200,000 when you apply for *Life Insurance* or *Critical Illness and Life Insurance*.
- Since maximum coverage offered is \$1,000,000, you are provided with 83% ($\$1,000,000 \div \$1,200,000$) of *your Mortgage* balance in coverage.
- If at claim time the balance on *your Mortgage* is \$1,000,000, then the maximum amount payable under *your* partial coverage will be \$830,000 (83% of \$1,200,000).

You may choose to apply for partial coverage if *your Mortgage* is greater than \$300,000 by selecting an *Insured Benefit* percentage on *your Application*. The percentage you select for both *Critical Illness Insurance* and/or *Life Insurance* must be the same. However, *your Insured Benefit* percentage may be adjusted as a result of our approval process. In this case we will communicate the *Insured Benefit* percentage you have been approved for in our approval letter to you.

The total of all insured *Mortgages* is subject to the \$1,000,000 maximum coverage amount.

Your *Insured Benefit* percentage selected at the time of *Application* or as indicated in our approval letter to you, will be used to calculate the partial coverage amount. Your partial coverage amount cannot be lower than \$300,000. Therefore:

- If your *Mortgage* amount is \$300,000 or less, you will be insured for 100% of your *Mortgage* and no partial coverage will be granted.
- If the *Insured Benefit* percentage selected on your *Application* equates to a coverage amount below \$300,000, the *Insured Benefit* percentage must be re-adjusted so that it equates to a coverage amount of a minimum of \$300,000 on your *Mortgage*.
- If your *Mortgage* amount is greater than \$1,000,000, partial coverage will be granted.

Making Changes To Your Partial Coverage

If you wish to increase your *Insured Benefit* percentage, a new *Application* must be completed. If approved, your premiums will be re-calculated based on your age at the date of the new *Application*.

If you wish to decrease your *Insured Benefit* percentage you must complete a Notification of Change Form available at all *TD Canada Trust* branches. Your premiums will be re-calculated based on your age at the date of your *Original Application*. Your new coverage amount will be in effect the date you sign the Notification of Change form.

Recognition of Prior Coverage

If you are transferring a line of credit to a *Mortgage* and you:

- do not meet our health requirements; or
- you are over age 55 but under 70, and
- were insured with us under a previous line of credit with coverage other than our *Creditor Defined Plan*; then

We may approve you for full or partial coverage on your *Mortgage*, based on the amount previously insured.

The maximum coverage amount under recognition of prior coverage will be a percentage based on the outstanding insured balance of the discharged/closed line of credit divided by the new *Mortgage* amount. We will specify the amount of coverage in the letter we send you approving you for coverage.

To qualify for recognition of prior coverage, you must apply within 30 days of the closure of your existing *TD Canada Trust* line of credit.

For example:

- The current balance on *your* existing line of credit is \$50,000 and is being replaced by a new *Mortgage* for \$100,000.
- Coverage approved on *your* new *Mortgage* will be 50% ($\$50,000 \div 100,000$).
- If at claim time the balance on *your Mortgage* is \$78,000, then the maximum benefit amount payable to *your Mortgage* would be 50% of \$78,000 (\$39,000).

Continuation of Coverage

Continuation of Coverage for Life Insurance

We may offer *you* continuation of *your* existing *Life Insurance* on *your* new *Mortgage*. *You* are eligible to apply if *you*:

- are a Canadian resident;
- are between 18 and 69 years old;
- refinancing or replacing *your* existing *Mortgage*; and
 - o have active *Life Insurance* on *your* existing *Mortgage*; or
 - o apply within 30 days of *your Mortgage* being discharged and *your* existing coverage being terminated because of the discharge.

To apply, *you* are required to complete a Confirmation of *Continuation of Coverage Application*. *Your* premium rate is based on *your* age when *you* sign the *Confirmation of Continuation of Coverage Application*.

Prior to refinance, if *your* existing coverage amount is less than or equal to \$500,000 *you* may be automatically eligible for the coverage amount *you* apply for, subject to a total maximum of \$500,000 of coverage.

Prior to refinance, if *your* existing coverage amount is greater than \$500,000, *you* will not receive more than *your* existing coverage amount.

If *you* are applying for additional coverage, *you* will need to complete a new *Mortgage Critical Illness and Life Insurance Application*.

Note: For details about *Continuation of Coverage* on the *Creditor Defined Plan* see page 21.

For example:

- The current balance on *your* existing insured *Mortgage* is \$50,000 and is being replaced by a new *Mortgage* for \$100,000.
- *You* apply for *Continuation of Coverage* on *your* new *Mortgage* and are approved for \$100,000 in coverage.
- At claim time, the balance on *your Mortgage* is \$78,000.
- The maximum benefit amount that can be paid to *your Mortgage* would be \$78,000 (the full amount of *your Mortgage* balance).

You may be eligible for partial coverage under *Continuation of Coverage*. For full details please see the “Partial Coverage” section on page 23.

The total of all insured *Mortgages* is subject to the \$1,000,000 maximum coverage amount.

If *you* are applying for *Continuation of Coverage* and *your Mortgage* has been approved, *your* coverage start date is as follows:

- For the *Life Insurance* coverage that is equal to or less than *your* existing coverage amount, *your* effective date is the date of *your Original Application*.
- For any additional *Life Insurance* coverage greater than *your* existing coverage amount, *your* effective date will be either:
 - o the date of *your Continuation of Coverage Application*, if no underwriting is required; or
 - o the date *we* write to let *you* know that *we* have approved *your Confirmation of Continuation of Coverage Application** if underwriting is required.

* All Confirmation of *Continuation of Coverage Applications* are subject to *our* underwriting practices in place at the time *you* submit the *Application*. *We* reserve the right to change *our* underwriting requirements and the questions in the *Applications* at any time.

Important: The validity of *your* original coverage and the answers *you* provided in *your Original Application*, are material to *us* issuing *Continuation of Coverage*. Any misrepresentation or failure to disclose information in *your Original Application* may result in cancellation of *your Continuation of Coverage*.

Continuation of Coverage, is subject to the exclusions and limitations to *Life Insurance* coverage outlined in sections “When We Will Not Pay a Life Benefit or Terminal Illness Benefit” and “When We Will Not Pay An Accidental Dismemberment Benefit”. Please see pages 12 and 13 for a list of exclusions and limitations.

How To Calculate *Your* Premium

We will withdraw *your* insurance premiums, plus any applicable provincial sales taxes as part of *your* regular *Mortgage* payment. They will be converted to the payment frequency that *you* choose for *your Mortgage* payment.

To calculate *your* monthly premium:

1. Find the rate that applies to *you* in the table.
2. Multiply it by the insured amount of *your Mortgage* as of the date *you* apply for coverage or the date it is funded, whichever is later.
3. Divide the answer by 1,000.
4. Apply the multi-insured discount, if applicable.
5. Apply provincial sales tax, if applicable.

To calculate *your* partial coverage monthly premium:

1. Determine *your Insured Benefit* percentage.
2. Multiply it by the amount of *your Mortgage* to find the insured amount as of the date *you* apply for coverage or the date it is funded, whichever is later.
3. Find the rate that applies to *you* in the table.
4. Multiply it by the insured amount of *your Mortgage*.
5. Divide the answer by 1,000.
6. Apply the rate reduction, if applicable.
7. Apply the multi-insured discount, if applicable.
8. Apply provincial sales tax, if applicable.

For payment frequencies other than monthly, pro-rated premiums will apply.

Additional Information

As a general rule, a Mortgage is insured if there is an outstanding balance. The following exception applies with respect to the purchase of real estate:

- you enter into an Agreement of Purchase and Sale for a house or other real estate; and
- TD Canada Trust commits to advance funds to pay for the real estate; and
- you suffer a loss that would be covered under this Certificate of Insurance after coverage starts but before the funds are advanced;

then in this instance, the amount of that Mortgage advanced by TD Canada Trust to pay for the real estate will be included to calculate the benefit.

Is This Insurance Mandatory?

Applying for the *Mortgage Life Insurance* or the *Life and Critical Illness Insurance* is optional. *You* aren't required to have this product to obtain any *TD Canada Trust* products or services. But remember the benefits. If *you* were to die, suffer an accidental dismemberment or be diagnosed with a terminal illness or critical illness without it, would *your* family be able to take care of the payments needed to live in *your* home?

Can *You* Sign Up At Any Time?

Yes. As long as the *Policy** remains in force and *you* remain eligible to apply, there are no time constraints preventing *you* from taking advantage of low-cost coverage to protect *your* Mortgages. *Your TD Canada Trust* representative will be pleased to provide *you* with a *Mortgage Critical Illness and Life Insurance Application*.

What If *You* Change *Your* Mind?

Your satisfaction and financial security are important to *us*. That's why we offer a **30-day money-back guarantee**. If for any reason *you* are dissatisfied with *your* insurance coverage, *you* may cancel *your* coverage within the first 30 days, *your* premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

You can cancel *your* own coverage at any time without the consent of the other borrowers by phone or by written request.

To Cancel By Phone

You can call TD Life at **1-888-983-7070** and, if we are able to confirm *your* identity, *you* will be able to cancel *your* coverage. In that case, *your* cancellation will start as soon as we complete the call.

You can obtain a cancellation form at any *TD Canada Trust* branch, or by calling TD Life. Please send the form to the address at the back of this booklet. If *you* cancel *your* coverage by written request, we will honour *your* request on the date we receive it. We will refund any premiums we may owe *you* after *your* coverage has been cancelled.

Is *Your* Balance Covered In Full?

There are situations where *your* insurance coverage is less than *your* outstanding debt.

The maximum available coverage on all *your TD Canada Trust Mortgages* combined is:

- \$1,000,000 for *Life Insurance*; and
- \$1,000,000 for *Critical Illness Insurance*.

If the total of all *your Mortgages* is higher, *you* may have partial coverage on some of the *Mortgages*. Also, if *you're* not eligible for insurance based on *your* health or age, *you* might be approved for coverage if *you* were insured on a previous product. Sometimes, depending on the amount *you* were previously insured for, the maximum benefit under *your new Mortgage* may be less than the *Mortgage* amount.

For more information, please refer to sections “Maximum *Life Insurance* Amounts You Can Apply For” and “Maximum *Critical Illness Insurance* Amounts You Can Apply For” in this booklet.

Can *Your* Insurance End Before *You* Pay Off The Debt?

There are situations where *your* coverage may end before *you* pay off the balance in full and close *your Mortgage*.

For example: *Your* insurance will end when *you* turn 70 years old or if *your* insurance premiums are in arrears for more than three months.

For more information, please refer to sections “When *Your Life Insurance* Ends” or “When *Your Critical Illness Insurance* Ends” in this booklet.
