## Section 6: How to Make a Claim

**IMPORTANT NOTE:** *You* must report *Your* claim and provide supporting documentation to *Our Administrator* as soon as possible, but no later than one (1) year after the date it occurred.

### Medical Emergency Claim

**A *Medical Emergency* should always be reported immediately**, as described in Section 3 under "What to Do in a *Medical Emergency*," or benefits will be limited.

To make an *Medical Emergency* claim, as part of the requirements under Section 8: General Conditions ("Proof of loss and timely reporting"), *We* will need documentation to substantiate the claim, including but not limited to the following:

- proof of payment by *You* and by any other benefit plan; and
- the original itemized receipts for all bills and invoices; and
- proof of travel (including departure and return dates); and
- medical records including complete diagnosis by the attending *Physician* or documentation by the *Hospital*, which must support that the *Treatment* was medically necessary; and

- *Your* historical medical records (if *We* determine applicable).

### If *You* report the claim immediately

- from the *Insured Person's* *GHIP*; and
- from any health plan or other insurance; and

- through rights *You* may have against other insurers or other parties (see Section 8: General Conditions, under “Subrogation”).

If *Our Administrator* pays eligible expenses that are covered under other insurance or another plan, *You* and the *Insured Person* (if applicable) must help *Our Administrator* to seek reimbursement as required.

The *Insured Person* must also provide evidence of the actual departure date from his or her province or territory of residence. If requested, an *Insured Person* must confirm any return dates to his or her province or territory of residence.

NOTE: If *Our Administrator* makes an advance payment for expenses that are later discovered to be ineligible under this *Certificate*, the *Insured Person* must reimburse *Us*.

**If *You* do not report the claim immediately**

In a *Medical Emergency*, *You* must call *Our Administrator* immediately, or as soon as is reasonably possible. If not, benefits will be limited as described under “*Medical Emergency Insurance Limitations*” in Section 3. If an *Insured Person* incurs eligible *Medical Emergency* expenses without first contacting *Our Administrator* for assistance and claim management, he or she must first submit receipts and other proof to:

- *GHIP*; and
- then to any group or individual health plan(s) and/or insurer(s).

Eligible *Medical Emergency* expenses not covered by a *GHIP* or other plan or insurance must be submitted to *Our Administrator* with proof of:

## Section 8: General Conditions

Unless this *Certificate* or the *Group Policy* states otherwise, the following conditions apply to *Your* coverage.

### Access to Medical Care

TD Life, TD Bank Group, *Our Administrator* and their affiliates are not responsible for the availability, quality or results of any medical *Treatment* or transport, or for the failure of any *Insured Person* to obtain medical *Treatment*.

### Benefit Payments

This *Certificate* contains provisions removing or restricting the right of the *Insured Person* to designate persons to whom or for whose benefit money is to be payable. This means that under the *Group Policy*, neither *You* nor any *Insured Person* has the right to choose a beneficiary who will receive any benefits payable under this *Certificate*. Benefits are payable to *You* or, on *Your* behalf, to *Your* medical service provider.

### Coordination of Benefits with Other Insurance

- All of *Our* policies are excess insurance, meaning that any other sources of recovery *You* have will pay first, and this insurance policy will be the last to pay. The total benefits payable under all *Your* insurance, including this *Certificate*, cannot be more than the actual expenses for a claim. If an *Insured Person* is also insured under any other insurance certificate or policy, *We* will coordinate payment of benefits with the other insurer.
- In no case will *We* seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is \$50,000 or less. If the lifetime maximum for all in-country and out-of-country benefits is over \$50,000, *We* will coordinate benefits only above this amount.

### Currency

All amounts shown are in Canadian currency.

### Group Policy

All benefits under this *Certificate* are subject in every respect to the *Group Policy*, which alone constitutes the agreement under which benefits will be provided. The principal provisions of the *Group Policy* affecting *Insured Persons* are summarized in this *Certificate*. The *Group Policy* is on file at the office of the Policyholder and upon request, *You* are entitled to receive and examine a copy of the *Group Policy*.

### Legal Action Limitation Period

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Civil Code of Quebec*.

### Misrepresentation of Facts Other than *Your* Health/Medical Information

*We* will not pay any expenses or benefits if *You*, any person insured under this *Certificate* or anyone acting on *Your* behalf attempts to deceive *Us* or makes a fraudulent, false or exaggerated claim.

### Proof of Loss and Timely Reporting

If *You* are making a claim, *You* must complete and send *Our Administrator* the appropriate claim forms, together with written proof of loss (e.g. original invoices and tickets, medical and/or death certificates as described in Section 6: How to Make a Claim) as soon as possible. In every case, *You* must report *Your* claim within one (1) year from the date of the accident or the date the claim arises.

### Relationship Between *Us* and the Group Policyholder

TD Life Insurance Company is affiliated with The Toronto-Dominion Bank ("TD Bank").

### Review and Medical Examination

When a claim is being processed, *We* will have the right and the opportunity, at *Our* own expense, to review all medical records related to the claim and to examine the *Insured Person* medically when and as often as may be reasonably required.

## Subrogation

There may be circumstances where another person or entity should have paid *You* for a loss but instead *We* paid *You* for the loss. If this occurs, *You* agree to co-operate with *Us* so *We* may demand payment from the person or entity who should have paid *You* for the loss. This may include:

- transferring to *Us* the debt or obligation owing to *You* from the other person or entity; or
- permitting *Us* to bring a lawsuit in *Your* name; or
- if *You* receive funds from the other person or entity, *You* will hold it in trust for *Us*; or
- acting so as not to prejudice any of *Our* rights to collect payment from the other person or entity.

*We* will pay the costs for the actions *We* take.
